How To Talk To Girls At Parties

102min

From the raucous dual imaginations of fantasy laureate Neil Gaiman ("American Gods," Coraline) and glam-rock multi-hyphenate John Cameron Mitchell (Hedwig and the Angry Itch, Shortbus) comes the electrifying and singular pop extravaganza film, How To Talk To Girls At Parties. Enn (Alex Sharp) is a shy suburban London teenager in 1977, sneaking out with his best friends to after-hours punk parties.

Sollers Point

102min

Sollers Point tells the story of Keith (Lombardi), a twenty-four-year-old newly released from prison and living with his father (Belushi) under house arrest in Baltimore. Keith is struggling to reestablish himself, and break free of the bonds forged behind bars, within a community scarred by unemployment, neglect, and deeply entrenched segregation.

RBG

97min

At the age of 84, U.S. Supreme Court Justice Ruth Bader Ginsburg has developed a breathtaking legal legacy while becoming an unexpected pop culture icon. But without a definitive Ginsburg biography, the unique personal journey of this diminutive, quiet warrior's rise to the nation's highest court has been largely unknown, even to some of her biggest fans - until now.

Isle of Dogs

101min

The latest from quirky filmmaker Wes Anderson takes us to a dystopian future Japan where, by executive decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island. 12-year-old Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots.
