Three Identical Strangers 91min
 Tim Wardle's acclaimed documentary Three Identical Strangers is the most amazing, incredible, remarkable true story ever told. Three strangers are reunited by astonishing coincidence after being born identical triplets, separated at birth, and adopted by three different families.

The Third Murder 125min
 Well-known attorney Shigemori takes on the defense of murder-robbery suspect Misumi, who served jail time for another murder 30 years ago. Shigemori's chances of winning the case seem low, as his client freely admits his guilt, even though he faces the death penalty if convicted.

Hereditary 126min
 When Ellen, the matriarch of the Graham family, passes away, her daughter's family begins to unravel cryptic and increasingly terrifying secrets about their ancestry. The more they discover, the more they find themselves trying to outrun the sinister fate they seem to have inherited.

The Cakemaker 104min
 Kneading dough is an act of love in all its messy complications in Israeli filmmaker Ofir Raul Graizer's nuanced debut drama about love and loss. Broaching themes of betrayal, loneliness and exile, The Cakemaker gently explores the primal need for companionship as it transcends identity, orientation and the conventional understanding of both.
