The Last Movie 108min

Kansas (Hopper) is a stunt coordinator in charge of horses on a western being shot in a small Peruvian village. Following a tragic incident on the set where an actor is killed in a stunt, he decides to quit the movie business and stay in Peru with a local woman. He thinks he has found paradise, but is soon called in to help in a bizarre incident: the Peruvian natives are "filming" their own movie with "cameras" made of sticks, and acting out real western movie violence, as they don't understand movie fakery.
