

CineLatino

a 4-day celebration of Latino film

September 21-24, 2017
 Sie FilmCenter
 2510 E. Colfax Ave. Denver, CO

CineLatino is a 4-day, cultural celebration of Latino Cinema. With 16 titles, the festival features a healthy mix of feature and documentary films, along with new and repertory titles.

The Festival will take place during Hispanic Heritage month, on September 21-24, 2017 at the Denver Film Society's Sie FilmCenter. The Denver Film Society is proud to recognize the contribution of Latinos in the world of cinema and celebrate the culture with premieres, interactive projects, receptions and special events.

2016 Highlights

3 films starring Gael Garcia Bernal including Neruda and Desierto.

Notable guests included: Opening Night guests from The Vessel: Director Julio Quintana, lead actor Lucas Quintana and producer Marla Quintana. Julio and Marla worked for Terrence Malick who also produced their film.

3 films featured in the festival we're their country's official submission for the Oscars.

Closing Night featured Mexico's Oscar submission Desierto and we hosted writer/director Oscar-nominee Jonas Cuaron, son of multiple Oscar-winner Alfonso Cuaron.
