DENVER FILM SOCIETY

SUMMER SCREAM AT LAKESIDE

AUGUST 31, 2017

Celebrating 7 years of fun, Summer Scream, produced by the Denver Film Society, is the best end-of-summer bash in Denver! With sponsors like Svedka, Stranahan's, and Red Bull providing libations at 6 bars throughout the park, no one was ever left thirsty. Guests posted all their fun on the Tagboard live social media wall provided by Outdoor Cinema Network and for those who don't drink and ride, Denver's finest local DJs provide the soundtrack to keep the party going in Central Park.
